 USA — The Inn & Spa at Cedar Falls announced today that it is now offering a new service: Breakfast in Bed. Inn & Spa at Cedar Falls guests have always enjoyed the Inn's legendary full country breakfast, which is included in every overnight stay. Inn reservations and additional information are available online at www.innatcedarfalls.com or (800) 653-2557 (1-800-65-FALLS).

Traditionally served in the Inn's 1840s log cabin dining room, guests now have the option to enjoy breakfast delivered right to their room, cottage or cabin. Starting with locally roasted coffee, locally made teas or hot cocoa with whipped cream, guests then have their choice of juices, along with homemade granola, fresh

fruit and applewood-smoked bacon, cob-smoked Ham or spicy sausage. Breakfast entrees vary daily, and might include a fresh farmer's casserole with sharp cheddar cream sauce, a potato scallion soufflé with house-made muffins, caramelized cinnamon raisin French toast with berries and sour cream or banana-walnut stuffed French toast drizzled with caramel.

InnatCedarFalls.com When guests arrive at check in, Inn staff will ask if they want breakfast delivered or in the dining room. If they choose delivery, the guest will select from choice offerings. Breakfast is delivered each day between 9:00-9:30 a.m.

"Most of our guests like coming to the restaurant for breakfast. They love the antique log cabin ambience, the wonderful smells coming from our kitchen and dining room and talking with our staff," said Innkeeper Ellen Grinsfelder. "When the weather is pleasant, they also love sitting outside on the patio and enjoying our beautiful gardens. Now, our guests have the option of choice. They can even enjoy breakfast delivered one morning, and eat in the restaurant the next. We aim to please, and the choice is all theirs," Grinsfelder said.

A Hocking Hills Tourism Association Certified Green destination, the Inn & Spa at Cedar Falls is located ½ mile above Hocking Hills' scenic Cedar Falls. The region offers a variety of recreational opportunities including hiking, bird watching, canoeing and fishing, as well as exquisite photo opportunities. The Inn's pampering spa offers a full compliment of spa services, including couples massage, girlfriend getaways, bridal parties and group events. Fine American cuisine is the specialty at the Inn's dining room and meals are prepared with the finest organic herbs, produce and ingredients. The Gathering Place at the Inn at Cedar Falls caters to weddings, family reunions, business retreats and organizational brainstorming sessions of up to 50 guests. Reservations and complete information on the Inn, Spa and Gathering Place are available at www.innatcedarfalls.com or 1-800-653-2557 (1-800-65-FALLS).
